Performer Agreement for Summer Show 2020

Please fill this out and return it to the Winchester studio, by January 21st if possible but we may be able to take later enrollments up to February 1st.

I give my consent for the performer named below to take part in the Italia Performing Arts Summer Show 2020, and in all rehearsals for this.

I agree that I or another adult family member (unless excused in advance) will volunteer at the show and/or the dress rehearsal, or I will make a \$50 donation to Italia Performing Arts Institute.

I commit myself to arranging for the performer to attend all rehearsals, and regular dance classes at Italia Performing Arts. I will inform the School Principal of all absences.

I agree to the following **absence policy**: If the performer misses more than one rehearsal in the season, without advance permission from the School Principal and apart from emergencies, Italia Performing Arts reserves the right to take them out of the performance.

I give permission for photos and videos of the performer to be taken at rehearsals and on the dress rehearsal and performance days, and to be used in materials for publicity or sale.

I give permission for the performer's name to be printed in the show program and on the show T-shirt.

I agree to fill out and return the separate costume order form by January 21st and to pay for the costume in full by January 31st, unless other arrangements are agreed.

If the performer is not already registered with Italia Performing Arts, I have filled out and signed the Registration Form, or registered the performer online, and have enrolled the performer for classes starting no later than February 1st 2020.
